October 2017

EVENTS-HAPPENINGS-NEWS-THINGS TO SHARE

HeadWaters Launches E-News

by Judy Koronka, Development & Outreach Coordinator

HeadWaters Land Conservancy would like to keep you up to date on what is happening at HWLC. You will receive this email once a month. It will be full of information, events, items we want to share, pictures and all things HeadWaters.

We will keep you updated on our 83 conservation easements and let you know what is happening at the 4 nature preserves. You will also be the first to know about any new projects.

You will notice that we have an event coming up on Saturday, October 14. This was a huge success last year. We are so excited to partner with the Groen Preserve again this year to bring you a beautiful fall hike. This hike

will foster an appreciation and understanding of the fall season in northeast Michigan. We will be offering a 1 mile hike and a 3 mile hike. All ages are welcome to this FREE event. Cider and donuts at the end of the hike and a make-it take-it fall craft for the kids! Dress for the weather.

Thank you for letting us come into your busy life and share a quick moment with you.

If you would rather not receive this e-news on a monthly basis, please email me at jkoronka@headwatersconservancy.org and I will remove your name.

Thank you for your support.

Color Walk at Groen Preserve

Saturday, Oct. 14, 2017, 10:00am
2043 Gingell Rd., Johannesburg
