J. A. Woollam Foundation Match Grant

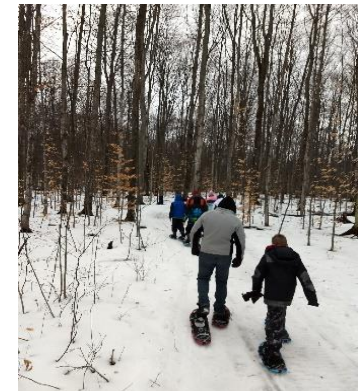

HeadWaters Land Conservancy is thrilled to announce the J.A. Woollam Foundation is offering a **1 for 1 match up to \$50,000!**

How does this work? How can you participate? How can you instantly increase your gift by 100%? It's easy! Every new donor, every donation over \$500 and anyone who donates more than they did in 2017... **dollar for dollar will be matched by the J.A. Woollam Foundation!**

Why? Because they believe in conservation. They believe in northeast Michigan. They believe in the work of HeadWaters Land Conservancy and they believe in YOU and YOUR power to change the world for the better!

Celebrate our 25th anniversary by helping HWLC protect habitat for grouse and loons, black bear cubs and the Hine's emerald dragonfly. Support our mission of environmental education for the next generation and protecting family farms from subdivision.

You've already helped us conserve 83 conservation easements and 6 nature preserves – **YOU** are creating a legacy for northeast Michigan with every gift, every day, forever.
