2018 Appreciation Picnic

As we kick off this year's field season we need to keep in mind that none of this would be possible without the valued time and donations from our supporters. We are so incredibly grateful and thankful that we have such a wonderful group of people interested in helping us protect the beauty that we all know and love as "Up North" Michigan.

Your participation as a member of HWLC is vital to the future preservation of northeast Michigan's most treasured lands. As Headwaters Land Conservancy continues to protect the beautiful lands that define our region, there arises a need to build upon earlier protection achievements and ensure a rich legacy, to build for today's needs as well as tomorrow's. Your support allows Headwaters Land Conservancy to

continue protecting northern Michigan's lands and waters.

Be on the lookout for this year's invitation to our 2018 Appreciation Picnic. If you have any questions regarding the picnic call the office at 989-731-0573.

Thanks to all of our wonderful supporters we've been given the opportunity to increase the **J.A. Woollam Match Grant** from **\$50,000 to \$70,000!!!**
