Boardwalk Workday No.2!

September 8th was our first workday at the Sturgeon River Preserve. We started construction of the 60' section of boardwalk, a 6'x6' passing space, and the 8'x10' platform. We had a great volunteer turnout but the work isn't done yet!

On October 11th, 2018 we will be conducting workday No.2. We will be doing this workday in two shifts. The first shift will be from 9:00am to 1:00pm and the second will be from 1:30pm to 5:00pm. We need all the help we can get. If you would like to help but this day doesn't work for you, be on the lookout for additional workdays this fall. For more information or to sign up please call the HWLC office or email

ltoms@headwatersconservancy.org. With your help, we can bring people closer to nature to help foster appreciation and understanding of the environment.

Keep an eye on our facebook page for upcoming opportunities.
