## We want to say Thank You!

Whether you're a volunteer land steward, a donor, a landowner, a partner, or a helping hand at one of our events or workdays we want to say thank you. Without our volunteers and donors we would not be here. Simple as that. We greatly appreciate everything you have done to help make HeadWaters Land Conservancy what it is today.

Your support has allowed HeadWaters to protect over 10,000 acres of land and 32 miles of shoreline in northeast Michigan. Your contribution towards our endowment helps to ensure that HeadWaters will be around for many years to keep up our work. Your help at our outreach events or fundraisers

has fostered an appreciation and understanding of the environment. You are the reason we are here. You are why protecting land in northeast Michigan is possible. Thank you for being a great partner of HeadWaters Land Conservancy.
