

Headwaters Land Conservancy

invites you to join us for a

Spring Bird Hike at Wakeley Lake

The 2,100 acre Wakeley Lake Area is closed to motorized vehicles and contains a variety of upland and wetland habitats, making it the perfect choice for a spring hike. We will have an experienced guide as we look and listen for waterfowl, raptors, warblers, and more. With a little luck we'll see the resident loons, bald eagles, and turtles!

This hike is 3.5 miles long. Bring binoculars and wear good shoes!

PLEASE DO NOT BRING YOUR DOG

Date: Saturday, May 18, 2019
